Dear Paul Barber:
I do not sell or distribute examples of my scale book because I am non commercial. The American Antique Scale Society was formerly selling them. Examples also come up in various numismatic book auctions ..There is a Dallas attorney by the name of Herrera who is a scale collector who may be able to help you. There have been much new data since my book was written. Good luck and thank you for inquiring.. Eric P. Newman

Dear Mr. Newman:

Thank you so much! I'll forward one of my books with a post paid return. Your work has been an inspiration to me. Specifically, in the last year my interest in Continental Currency has been consuming all of my free time – I'm fascinated by the signatories and their backgrounds. Someday I hope to publish an article on that topic.

Thank you, again.

Best regards,

Paul
